Book Jacket Fold

7-1/4" x 5-1/2"

Score at 4-1/4"

Fold will be on the right when card is assembled.

Book Spine & Front

6-3/4" x 5-1/2"

Score at 1/2", 1-1/2", 2-1/2" and 3-1/2"

All folds are Mountain folds and will form a tube.

2. Form the tube on the Book Spine & Front card base. Apply Tear & Tape on the 1/2" section of the base. Make sure the Tear & Tape is close to the 1/2" score line. Remove the protective cover on the Tear & Tape.

3. Carefully adhere the 1/2" section with the Tear & Tape to the base by folding the card closed at the 2-1/2" scoreline and turning the 1/2" section under. Adhere to the base to form a tube.

4. Keeping the tube shape intact, turn the Book Spine & Front section over and apply two rows of Tear & Tape on the top tube section. Refer to photo below to make sure you are applying the Tear & Tape to the right section of the tube.

5. Lay the Book Jacket Fold base on your work surface and make sure that the fold of this section is on the right (not the normal left position). Remove the Tear & Tape covers from the Book Spine section and carefully line up the taped section with the right edge of the Book Jacket Fold base. The edges of the Book Jacket Fold and the Book Spine bases should be flush with each other. The photo below shows the two bases now adhered to each other. This card opens on the right with the "spine" of the book on the left (tube shape).

3. Using the Timeless Charm Dies, die cut 1 of the double flower image with stems from Basic White cardstock. Use the light shade of a Bubble Bath Stampin' Blend to color the flowers. Use the light shade of a Calypso Coral Stampin' Blend to darken the center of the large, fully opened flower and flick some Calypso Coral outwards from the center. Blend with the Bubble Bath Stampin' Blend. For the smaller flower, darken the bottom of the flower with Calypso Coral and darken the center of the flower cup with Calypso Coral. Blend with the Bubble Bath Stampin' Blend. Color the stem and leaves using Old Olive Stampin' Blends. Adhere the colored image to the deckled rectangle, then adhere to the center of the card front using liquid glue.
4. Fully open the card so that you see the inside of the Book Jacket portion of the card. On the inside white panel, stamp the sentiment "Because of you, we made it through" in Old Olive ink. Second-generation stamp the dots across the top of the panel and down the left side. Adhere the inside panel to its mat, then, adhere to the inside of the card.

5. On the right-side panel of the Book Jacket, adhere DSP Strip #1 and DSP Strip #2 to the Bubble Bath mat measuring 5-3/8" x 2-7/8". I adhered the wider flowered strip to the left of the mat and the thin geometric piece of DSP to the right of the mat. Be sure to leave an equal distance all around the edges. Adhere this panel to the outside of the Book Jacket flap.
6. Stamp the sentiment "Thanks for all you do" in Old Olive ink onto the sentiment label. Adhere the label to its mat, then adhere the sentiment label to the outside of the Book Jacket flap. Position the sentiment label towards the bottom third of the card and to the right. Use liquid glue to adhere the sentiment label.
