Today's card was created using the Beautifully Happy Stamp Set and the lovely Fancy Flora 6" x 6" Designer Series Paper. The Beautifully Happy Stamp Set is a two-step stamp set so just add ink...no coloring required! You can grab the Beautifully Happy Stamp Set free with a qualifying order from the Sale-A-Bration Catalog in just a few short days! The Fancy Flora Designer Series Paper is featured in the January-April 2023 Mini Catalog...also available in a few days! Let's get started!

1. Card Cuts:

- Card Base - Cut 1 Fresh Freesia cardstock to 11" x 4-1/4" and score at 5-1/2"
- DSP Panel - Cut 1 Fancy Flora DSP in greens and blues to 5-1/4" x 4"
- Outside and Inside Panels - Cut 2 Basic White cardstock to 4-3/4" x 3-1/2"
- Sentiment Label - Cut 1 Basic White cardstock to 3-1/2" x 3/4"
- DSP Strip - Cut 2 Fancy Flora DSP in greens and blues to 3-1/2" x 1"
- Envelope Flap - Cut 1 Fancy Flora DSP in greens and blues to 6" x 2-1/2"

2. Start by adhering the DSP Panel to the card front.

3. On one of the white panels measuring 4-3/4" x 3-1/2", use Tuxedo Black Memento ink to stamp the large outline flower image from the Beautifully Happy Stamp Set. Use the flower

"fill" stamp to stamp the flowers in Fresh Freesia ink. Lastly, use the leaf "fill" stamp to stamp the leaves in Soft Succulent ink. Stamp the bee in the upper right of the panel using Memento ink. Use a Daffodil Delight Stampin' Blend to color in the bee and the flower center. Note: There is a stamp for the flower center but since I had to color in the bee, I just used the Stampin' Blend to also color in the flower center.

4. Use the dotted stamp to stamp dots around the previously stamped flower image in Fresh Freesia ink.
5. Stamp the sentiment "Sending happy thoughts" in Fresh Freesia ink onto the sentiment label. Stamp the sentiment to the right of the label. Adhere the sentiment label to one of the DSP strips and center top and bottom. Then, adhere this unit to the bottom of the flower-stamped panel, leaving an approximate 1/16" of the bottom panel showing.
6. Adhere the white panel to the card front using Stampin' Dimensionals.
7. On the second white panel, stamp the sentiment "For a very happy birthday" in Fresh Freesia ink. Adhere the second DSP strip to the bottom of this panel, leaving approximately 1/16" of the white panel showing at the bottom. Adhere the panel to the inside of the card.
8. Stamp the small flower outline image onto the envelope front using Tuxedo Black Memento ink. Use the flower and leaf fill stamps to fill in the image using Fresh Freesia and Soft Succulent inks. Stamp the bee next to the small flower using Memento ink and color in the bee using a Daffodil Delight Stampin' Blend.
9. Adhere a coordinating piece of DSP to the envelope flap and trim away the excess paper from the flap to finish off the envelope.
10. Tie a small bow using Fresh Freesia Open Weave Ribbon and adhere the bow to the left side of the sentiment label on the card front. Adhere several Fresh Freesia Opaque Adhesive- backed Gems to the card front.
