I'm back with another card created using the **Snowy Wonder Bundle** and the **Snowy Scenes 12" x 12" Designer Series Paper**! The **Snowy Wonder Bundle** is such a happy and cheerful set, and the Snowy Scenes paper is beautiful...I couldn't help myself! This is a fun fold card and I'm not sure what to call it...so I'm sticking with calling it a "fun fold". The card features a front window and middle panel which features this happy snowman and a sentiment, along with an inside panel. Fun! Let's take a look!

Supplies:

- Snowy Wonder Bundle
- Snowy Scenes 12" x 12" Designer Series Paper
- Peaceful Season Bundle
- Stylish Shapes Dies
- Natural Tones Linen Thread
- Earth Tones Shimmer Gems
- Cardstock: Pool Party, Basic White
- Ink: Pool Party, Garden Green, Poppy Parade

 - DSP Panel #1 - Cut 1 Holly and Berry print from the Snowy Scenes Designer Series Paper to 5-3/8" x 4-1/8"
 - DSP Panel #2 - Cut 1 Garden Green and Pool Party snowflake print from the Snowy Scenes Designer Series Paper to 5-3/8" x 4-1/8"
 - Snowflakes - Scraps of Basic White and Pool Party cardstock
 - Square - Cut 1 Basic White cardstock to 2-3/4" x 2-3/4"
 - Snowman & Tree - Cut from the Snowy Scenes Designer Series Paper
 - Sentiment Label - Cut 1 Basic White cardstock to 4" x 1-1/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere DSP Panel #1 to the front of the Pool Party card base measuring 8-1/2" x 5-1/2". Use the largest square die from the Stylish Shapes Dies and position the die on the top portion of the card front so that there is an equal distance on the left, top and right of the die and the card front. Temporarily hold the die down using Post It Notes or Post It Tape, then run just the front of the card base (with DSP attached) through your Stampin' Cut & Emboss Machine or your die cutting machine. This will cut a window into the card front.

3. From the Snowy Wonder Stamp Set, stamp three large snowflakes onto white cardstock using Pool Party ink. Use the coordinating snowflake die from the Snowy Wonder Dies to cut out the snowflakes. Additionally, die cut two small snowflakes from Pool Party cardstock. Set aside for now.
4. On the Middle Panel measuring 5-3/8" x 4-7/16", score the panel at 1/4". Then adhere DSP Panel #2 to the front of the panel. Note that the scored edge will be on the left. With the 1/4" section unfolded, apply Tear & Tape along this section. Fold the 1/4" section under, then adhere the Middle Panel to the back portion of the inside of the card. Note that the folded edge of the Middle Panel will sit just to the right of the center scoreline on the card base.
5. Use the second from largest square die from the Stylish Shapes Dies to cut out 1 white cardstock square. Use the large snowflake stamp from the Snowy Wonder Stamp Set and stamp the snowflake several times across the square using Pool Party ink. Use the Snowy Wonder Dies to cut out 1 snowman and 1 large pine tree from the Snowy Scenes Designer Series Paper. Adhere the pine tree to the right of the square using liquid glue or Stampin' Seal, then adhere the snowman to the center of the square using Stampin' Dimensionals. Close the card base, then adhere the square in the center of the cut-out window using Stampin' Dimensionals. Adhere the large die cut snowflakes onto the left side of the window on the card front. Note that only the left half of the snowflakes should be adhered down as the right edge of the snowflakes will hang over into the window space. Then adhere the two smaller Pool Party snowflakes between the larger snowflakes.
6. Onto a scrap piece of white cardstock, stamp the "Love from our home to yours" sentiment from the Peaceful Season Stamp Set in Poppy Parade ink. Use the long rectangular die from the Peaceful Season Dies to cut out the sentiment. Adhere the sentiment below the snowman on the Middle Panel of the card.

7. On the inside panel, stamp the "Merry" and "Christmas" sentiments from the Peaceful season Stamp Set in Poppy Parade ink. From the Snowy Wonder Stamp Set, stamp the large pine tree in Garden Green ink onto the lower right of the panel, then stamp the large snowflake two times above the tree in Pool Party ink. Adhere the panel to the inside of the card base. Note that the left side of the inside panel will sit right up against the 1/4" hinge of the middle panel.

8. Tie a double bow with two lengths of Garden Green Natural Tones Linen Thread. Adhere the bow to the upper left corner of the window on the card front using a Mini Glue Dot.
9. Adhere three Garden Green Earth Tones Shimmer Gems to the snowman square.
10. On the envelope front, stamp the large pine tree in Garden Green ink and two large snowflakes above the tree in Pool Party ink.
11. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
