1. Card Cuts:

- Card Base - Cut 1 Pretty Peacock cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat #1 - Cut 2 Pebbled Path cardstock to 5-1/4" x 4"
- Mat #2 - Cut 2 Basic Black cardstock to 5-1/8" x 3-7/8"
- DSP Panel - Cut 1 pine tree print from the Winter Meadow Designer Series Paper to 5" x 3-3/4"
- Sentiment Label - Cut 1 Pebbled Path cardstock to 3-3/4" x 3/4"
- Pine Boughs - Cut 4 from Lost Lagoon cardstock and Cut 4 from Pretty Peacock cardstock
- Berry Cluster - Fussy cut 1 from the Winter Meadow Designer Series Paper
- Bird - Cut 1 Basic White cardstock to approximately 2-1/2" x 2"
- Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"

2. Adhere the DSP Panel pine tree print to one of the Basic Black mats, then adhere this to one of the Pebbled Path mats. Adhere this unit to the card front using liquid glue or Stampin' Seal.

3. From the Winterly Tree Tops Stamp Set, stamp the single bird image in Tuxedo Black Memento ink onto a piece of Basic White cardstock. Use Stampin' Blends in Pretty Peacock, Lost Lagoon, Moody Mauve, Pebbled Path and Ivory Stampin' Blends. Use the Winterly Tree Tops Dies to cut out the image once colored.

- Color the bird's chest using an Ivory Stampin' Blend (Ivory/Bronze).
- Color the remainder of the bird using the light shade of a Lost Lagoon Stampin' Blend. Use the dark shade of a Pretty Peacock Stampin' Blend to shade the bird's wing area and the right side of the bird's chest. Blend with the light shade of a Lost Lagoon Stampin' Blend.
- Color the berries using the light and dark shades of Moody Mauve Stampin' Blends.
- Color the berry twig and the branch using a Pebbled Path Stampin' Blend.
- Use a Stampin' Blend Color Lifter to lift a highlight on top of the bird's head, the front of the chest and a little on the top of the wing.

4. Fussy cut one of the three-berry images with leaves from the Winter Meadow Designer Series Paper.

5. Use the Winterly Tree Tops Dies to cut a total of 8 pine boughs - 4 from Pretty Peacock cardstock and 4 from Lost Lagoon cardstock.

6. On the sentiment label, stamp the "A friend like you brings me happiness" in VersaMark ink. Stamp the sentiment towards the left of the label. Sprinkle white Embossing Powder over the stamped sentiment then use a Heat Tool to set the embossing powder. Use a pair of paper snips to cut a banner end on the right side of the label.

7. Adhere the colored and die cut bird partially to the fussy cut berries using a small amount of liquid glue. Adhere this to the card front using Stampin' Dimensionals and position the bird and berries towards the upper two-thirds of the card front. Arrange the pine boughs around the bird and once happy with placement, adhere the pine boughs around the bird using liquid glue. Be sure to tuck the ends of the pine boughs under the bird.
8. Apply a short strip of Stampin' Seal on the left of the card front and approximately 1-1/2" from the bottom edge of the card base. Adhere a length of Silver Trim to the area of Stampin' Seal in a "Z" pattern. Adhere the sentiment label over the trim using Stampin' Dimensionals. Align the left edge of the sentiment label with the left edge of the Pebbled Path mat.
9. On the inside panel, stamp the "Sending thanks & much love" sentiment in Tuxedo Black Memento ink. Stamp the single bird image onto the lower left corner of the panel in Tuxedo Black Memento ink. Color in the bird image as you did for the card front using Stampin' Blends. Adhere the panel to the remaining Basic Black mat, then adhere this to the remaining Pebbled Path mat. Then adhere the unit to the inside of the card.

10. Repeat stamping of the bird image onto the envelope front and color as before. Caution: Slip a scrap piece of paper or cardstock inside of the envelope to avoid marker bleed through.
11. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
12. Adhere three Lost Lagoon Faceted Gems to the card front to complete the project.

This completes the card! I loved the double mat on this card front so much that I also double matted the inside panel. This combined with the Faceted Gems creates some extra weight which will require extra postage. You can always single mat just the outside of the card if this is a concern.

Products used to create this card are included on the next page. The item number for the Winterly Tree Tops Bundle is included under the supply list above. This Bundle will be available for customer orders on September 4!
