The Sweet Gingerbread Bundle (stamps and dies) can be used to create adorable Christmas scenes for your cards. I had such a blast playing with this bundle! Here are the details:

1. Card Cuts:
   - Card Base - Cut 1 Early Espresso cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
   - Panel - Cut 1 Pool Party cardstock to 5-1/4" x 4"
   - Snow Bank - Cut 1 Basic White cardstock to 2-1/2" x 4" (for die cutting snow bank)
   - Scraps of Basic White cardstock for stamping and die cutting lollipops, gum drops and wreath
        Stamp and die cut 2 lollipops
        Stamp and die cut 3 gum drops
        Stamp and die cut 1 wreath
   - Scraps of Daffodil Delight for stamping and die cutting windows
   - Scraps of Soft Suede for stamping and die cutting the door and scalloped roof
   - Scraps of Crumb Cake for die cutting the house and walkway stones
   - Scraps of Pear Pizzaz for die cutting pine trees - Die cut 4 trees

---

- Scrap of Basic Black for die cutting fence
- Sentiment Label - Cut 1 Basic White cardstock to 2-1/4" x 1"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"

2. Using a scrap of Basic White cardstock measuring 2-1/2" x 4", die cut the snow bank. Place the snowbank die at the top of the 4" side of the piece of cardstock. Adhere the snowbank to the Pool Party panel, lining up the bottom, right and left edges. Do not place adhesive at the top of the snowbank so that you can later tuck in the trunks of the pine trees. Adhere this unit to the card front.

3. Assembling the gingerbread house:
   - On a piece of Crumb Cake cardstock measuring at least 2-3/4" x 2", die cut the house using the coordinating die
   - Once the house is die cut, use the outline stamp for the windows and door and stamp in Early Espresso ink. Stamp the door/window outline onto the lower portion of the house. I lined up the bottom of the door with the bottom of the die cut.
   - Next, adhere the die cut scalloped roof to the top of the house. Then stamp the scrolls using Early Espresso ink onto the top of the house, just below the roof.
   - Using the Windows stamp, stamp in Daffodil Delight ink and stamp on Daffodil Delight cardstock, then die cut 2 windows.
   - On a scrap of Soft Suede cardstock, use the door stamp and stamp in Early Espresso ink, then die cut 1 door.
   - Adhere the gingerbread house to the card front. Place the bottom edge of the house approximately 1" above the bottom of the snowbank. Add one silver Festive Pearl to the door as a door handle.
   - Adhere the Daffodil Delight windows in place. Adhere the Soft Suede door in place.

4. Use Real Red, Parakeet Party and Daffodil Delight inks to stamp 3 gum drops onto Basic White cardstock. Stamp two lollipops in Real Red ink onto white cardstock, then die cut the images. Stamp 1 wreath in Pear Pizzazz ink, then use a Real Red marker or Stampin' Blend to dot in the berries on the wreath.

5. Assembling the remainder of the scene:
   - Die cut 4 pine trees from Pear Pizzaz cardstock, die cut 1 of the walkway stones from Crumb Cake cardstock, and die cut 1 fence from Basic Black cardstock.
   - Next, using a small pair of scissors or paper snips, trim the fence die cut and adhere fencing to each side of the gingerbread house. I used small drops of glue to adhere the fence to either side of the house.
   - Adhere one pine tree to each side of the house, tucking the tree trunks slightly under the snow bank. Adhere a 3rd pine tree to the right side of the card, on the snowbank. For the 4th pine tree, trim off part of the tree bottom (to make a shorter tree) and adhere in the lower right corner of the card front.
   - Using Mini Glue Dots, adhere a lollipop to each side of the house at a slight angle. Adhere the gum drops below the house on the right and left.

- Using glue, adhere the walkay stones. I used the dark shade of my Crumb Cake Stampin' Blends to darken areas of the walkway stones, but this is optional.
- Using glue, adhere the wreath to the gingerbread house, just above the door.

6. Stamp the sentiment "Have a sweet Christmas" to the sentiment label using Real Red ink. Cut a banner end on the right side of the sentiment label and adhere to the top of the card front using Stampin' Dimensionals. Tie a small bow using the black and white Gingham Ribbon and adhere to the upper left corner of the sentiment label using a Mini Glue Dot.

7. To finish off the card front, add some white Adhesive-Backed Seasonal Sequins.

8. For the inside panel, stamp the sentiment "From our home to yours" in Real Red ink. Using Parakeet Party ink, stamp two pine trees on the lower right corner of the panel, then adhere the panel to the inside of the card.

9. Stamp two pine trees on the lower right of the envelope front in Parakeet Party ink, and one pine tree on the envelope flap.

This completes the card. Don't be put off by the number of die cuts needed for this card...the die cutting went quickly as most of the die cuts are small so you can die cut a number of pieces all at one time!

The products used to create this card are included on the next page.
