Stamp Set to stamp 3 carrots onto the panel using Mango Melody ink. Angle the carrots when stamping so that the tops of the carrots are together. Use the detailed carrot stamp to stamp the detail on the carrots using Pumpkin Pie ink. Second generation stamp the larger leaf onto the carrots using Granny Apple Green ink. It's okay if the images overlap. Next, use the leaf stamp with the thin stem and stamp on top of the carrots using Garden Green ink.

3. On the sentiment label, stamp the sentiment "Hey, there" in Garden Green ink. Adhere the sentiment label to the white sentiment label mat. Center the sentiment label on the white mat from left to right but line up the bottoms of these two pieces so they are flush with each other. Adhere the DSP strip behind the sentiment label and center from left to right but leave a 1/4" reveal of the strip of DSP showing on the bottom.
4. Adhere the DSP panel to its white mat, then adhere this unit to the card front. Adhere the white stamped panel to the card front using Stampin' Dimensionals, and place this panel at an angle on the card front.
5. Adhere the sentiment label to the white panel using Stampin' Dimensionals - also at an angle.
6. On the inside white panel, stamp the sentiment "Thanks a bunch" in Garden Green ink. Also stamp the small carrot image in Mango Melody ink, then stamp the carrot tops in Garden Green ink. Adhere the inside panel to the inside of the card.
7. On the envelope front, stamp the same small carrot image in Mango Melody ink and the carrot top in Garden Green ink. Adhere the piece of coordinating DSP to the envelope flap and trim away the excess DSP from the flap.
8. On the card front tie a small bow using Garden Green ribbon from the Real Red and Garden Green Ribbon Combo Pack and adhere the bow to the left of the sentiment label using a Mini Glue Dot.
9. Adhere several Opal Rounds to the card front.
