- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Granny Apple Green cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Shaded Spruce cardstock to 5-1/8" x 3-7/8"
- Outside & Inside Panels - Cut 2 Basic White cardstock to 5" x 3-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 1-1/2" x 1-1/2"
- Scraps of Cherry Cobbler cardstock for die cutting 3 sets of heart buttons for gingerbread men
- Scraps of Basic White cardstock for stamping and die cutting three sets of holly berries and holly leaves, and stamping and die cutting three gingerbread men

2. Use the Christmas Tidings Embossing Folder to emboss one of the white panels measuring 5" x 3-3/4". Adhere the embossed panel to one of the Shaded Spruce mats, then adhere this to the card front.

3. Die cut 3 sets of heart buttons for the gingerbread men from Cherry Cobbler cardstock.

4. On scraps of Basic White cardstock, stamp and die cut the following then follow any additional directions:

- Stamp 3 gingerbread men in Pecan Pie ink. Stamp the faces in Early Espresso ink. Die cut. Use a small pair of scissors or paper snips to trim the tag hanger from the top of the gingerbread men's heads. Adhere the previously die cut heart buttons to the front of each gingerbread man. Dust the hearts with Wink of Stella.
- Stamp 3 sets of holly leaves in Shaded Spruce ink then die cut.
- Stamp 3 sets of holly berries in Cherry Cobbler ink then die cut. Adhere the berries to the base of the holly leaves previously cut and dust the berries with Wink of Stella.
- Use Whisper White Craft Ink to highlight the holly berries (this is a small "c" shape). I used the pointy end of my Take Your Pick Tool to apply the ink to the berries. Allow to dry completely.

5. Use the smallest square die from the Stylish Shapes Dies to cut out the sentiment label from Basic White cardstock. Stamp the sentiment "All is Merry & Bright" from the Brightest Glow Stamp Set and stamp in Shaded Spruce ink.

6. Cut a length of Real Red ribbon to approximately 5". Apply a piece of Tear & Tape to the back of the ribbon, remove the protective cover from the Tear & Tape, then adhere the ribbon to the bottom of the card front. Position the bottom edge of the ribbon approximately 3/4" from the bottom of the card base edge.

7. Arrange the three gingerbread men on the top of the card front. Note that the gingerbread men hang over the edges of the embossed panel on the card front. Adhere with liquid glue.
8. Adhere the sentiment label with Stampin' Dimensionals over the previously adhered ribbon and center from left to right.
9. Adhere the holly and berries to the card front using Stampin' Dimensionals. Refer to photos for placement.
10. On the inside panel, stamp the sentiment "Merry Christmas" in Shaded Spruce ink. Stamp the holly and berries onto the lower left and right corners of the panel. Stamp the holly in Shaded Spruce and stamp the berries in Cherry Cobbler ink. Dust the holly berries with Wink of Stella. Add highlights to the berries using Whisper White Craft Ink. Adhere the panel to the remaining Shaded Spruce mat, then adhere this unit to the inside of the card.
