The **Day At The Farm 12" x 12" Designer Series Paper** was perfect to use on this diagonal fun fold! I also used the **On The Farm Stamp Set** to stamp the hill image and sentiment...so much fun! The **On The Farm Stamp Set** (and coordinating dies...there are lots of dies!) and the **Day At The Farm Designer Series Paper** are available beginning tomorrow, January 5! You can earn the DSP for free with a qualifying order and it is the cutest!

I originally saw this fun fold created by Ruth's Stamping Corner on her YouTube channel and I wanted to share this fun fold with you. I added the belly band as part of my card design. You use one sheet of 8-1/2" x 11" piece of cardstock to create this card and it will make two diagonal fun fold cards! Let's get started on this fun fold!

1. Card Cuts:

- Card Base - Start with an 8-1/2" x 11" piece of Basic Black cardstock. On the 8-1/2" side, score at 4-1/4". Turn the cardstock to the long side (the 11" side) and score at 5-1/2". Next, turn the cardstock and line up opposite corners along the cutting track of your paper trimmer and cut the cardstock on the diagonal from corner to corner. If you are using a Stampin' Up paper trimmer, the blade will not quite cut through the

corners. Use a pair of paper snips to complete the cut at each corner. You now have two card bases to work with! Refer to diagram below.

- DSP Panels. If you are using two different DSP designs, you will need to cut 2 DSP panels. If you are using the same design on both diagonal panels of the card base you only need to cut 1 piece of DSP. Cut the DSP panel to 5-3/8" x 4-1/8". Place the DSP on a diagonal in your paper trimmer and cut from corner to opposite corner.
- Die Cut Circle - Cut 1 Daffodil Delight cardstock to 3" x 3" for stamping and die cutting sentiment label
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Belly Band - Cut 1 Basic Black cardstock to 10" x 2-1/4"
- Envelope Flap - Cut 1 piece of coordinating DSP to 6" x 2-1/2"

2. For the DSP panels adorning the card front, I chose the barn/silo pattern and the plaid pattern. Orient the card base so the diagonal panel on the right opens upwards. Adhere the barn/silo DSP to this section of the card front. Adhere the plaid patterned DSP to the opposite panel of the card front.
3. Using the On The Farm Stamp Set, on the 3" x 3" piece of Daffodil Delight cardstock, stamp the sentiment "Thinking happy thoughts of you" in Garden Green ink towards the middle of the square. Using the second to largest scalloped die from the Layering Circles Dies set, die cut a circle. Use the "hills" stamp and stamp along the bottom of the die cut circle using Garden Green ink.

4. On the Inside panel, stamp the same hill image across the bottom of the panel in Garden Green ink. Adhere the panel to the inside of the card.

5. Place the belly band on your work surface and center the card over the belly band. Fold the right and left ends of the belly band over the card so that the ends meet in the middle of the card. Caution: You do not want to make your belly band too tight. Before adhering the ends of the belly band together, make sure that the band will easily slide up and down over the card. Adhere the belly band ends together using liquid glue or Stampin' Seal. I placed the join of the belly band on the back of the card. Using Stampin' Dimensionals, adhere the die cut and stamped circle onto the center of the belly band.
6. Using the same hill stamp, stamp hills on the lower front of the envelope in Garden Green ink.
7. Adhere the coordinating piece of DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.
8. Tie a double bow using black twine from the Baker's Twine Essentials Pack. Adhere the bow to the lower part of the circle on the belly band. Place a Matte Black Dot on the circle to

finish off the card.

This completes the card! You can go ahead and complete a second card using the extra card base and DSP panels! Supplies which are available on January 5th are included below. All other products used to create this card are included on the next page. Enjoy!

- On The Farm Stamp Set - Jan-Apr 2023 Mini Catalog - Item #160652
- On The Farm Bundle - Jan-Apr 2023 Mini Catalog (dies not used on this card) - Item #160661
- Day At The Farm 12" x 12" Designer Series Paper - Jan-Feb 2023 Sale-a-bration Catalog - Item #160835
