4. Use the Changing Leaves Stamp Set to stamp the "a little note to brighten your day" onto the Very Vanilla sentiment label. Apply adhesive to the center of the back of this label, then adhere the label to the center of the gold circle die cut. Tie a loose bow using Mossy Meadow Natural Tones Linen Thread and adhere the center of the bow to the center of the card front using a Mini Glue Dot. Adhere the sentiment unit to the center of the card front using Stampin' Dimensionals and position over top of the bow.
5. Adhere the die cut greenery pieces to the card front and tuck the ends under the sentiment label. Position the die cut greenery towards the upper left and lower right of the circle.
6. Along the bottom of the inside panel partially stamp the maple leaf image from the Changing Leaves Stamp Set in Cajun Craze ink. Color in the leaves using the light shade of a Cajun Craze Stampin' Blend then adhere the panel to the inside of the card.
