Cut 1 Basic White cardstock to 3-3/4" x 2-3/4"

- Sentiment Label - Cut 1 Basic White cardstock to 3-3/4" x 3/4"
- Sentiment Label Mat - Cut 1 Early Espresso cardstock to 3-7/8" x 7/8"
- Cake Layers - Scraps of Pecan Pie and Early Espresso cardstock
- Cake Stand - Scrap of Basic White cardstock
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. Adhere the wood grain designer series paper panel to the card front using liquid glue or Stampin' Seal.
3. Using the Cake Celebration Stamp Set, stamp the cake stand image onto a piece of white cardstock using Pool Party ink. Use the coordinating Cake Celebration Dies to cut out the image. Die cut 1 small and 1 large cake layer from Pecan Pie cardstock and 1 small and 1 large icing from Early Espresso cardstock using the Cake Celebrations Dies. Adhere the icing die cuts to the tops of the cake layers, then use liquid glue to adhere the large cake layer to the top of the cake stand and then adhere the small cake layer to the top of the large cake layer.
4. On the white cardstock panel measuring 3-3/4" x 2-3/4", you will be stamping the candles and flames just above where the assembled cake from Step #3 above. Temporarily place the cake onto the panel to get an idea of where the candles should be stamped. I made a small pencil mark, stamped the candles, then erased the mark after stamping. Stamp the candles in Pool Party ink and stamp the flames in Daffodil Delight ink, then stamp three of the star image from the Cake Celebrations Stamp Set above and around the cake three times. Adhere the cake to the panel using Stampin' Dimensionals. The bottom of the cake plate sits about 1/4" from the bottom edge of the panel. Wrap a length of Linen Thread around the bottom of the panel three times then tie a small bow. The Linen Thread will sit at the narrow section of the cake plate. Set the panel aside for now.

5. Stamp the "happy" and "birthday" sentiments onto the sentiment label in Early Espresso ink. Adhere the sentiment to its Early Espresso mat, then adhere the sentiment label to the bottom of the card front using Stampin' Dimensionals. Leave approximately 1/8" showing around the left, bottom and right of the DSP panel. Placing the sentiment first helps in positioning the rest of the card components.
6. Use liquid glue to adhere the Pecan Pie cardstock panel to the card front at an angle. Refer to photos for reference. Then adhere the decorated white cake panel from Step #4 above to the card front using Stampin' Dimensionals. The panel sits over top of the Pecan Pie panel and will sit straight on the card front.
7. On the inside panel use the Cake Celebrations Stamp Set to stamp the "Celebrate" sentiment in Early Espresso ink. On the bottom center of the panel, stamp the cake plate in Pool Party ink. Then stamp the large and small cake layers in Crumb Cake ink. Stamp the detailed fill on each layer of cake using Pecan Pie ink. Stamp the candles on top of the cake in Pool Party ink and the flames in Daffodil Delight ink. Stamp three stars above the cake in Daffodil Delight ink.
