- Flower Sprigs - Pieces of 2024-2026 In Color Glimmer Specialty Paper in Summer Splash and Petunia Pop
  - Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1-3/4"
  - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
  - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to one of the Berry Burst mats, then adhere this to the card front.
  3. Use the two largest, detailed floral sprigs from the Flowers of Beauty Dies and cut 1 of each. Cut the largest detailed sprig from Summer Splash In Color Glimmer Specialty Paper and cut the second from largest from Petunia Pop In Color Glimmer Specialty Paper. Set aside for now.
  4. On a scrap piece of white cardstock, use the Flowers of Beauty Stamp Set to stamp the detailed image of the large flower in Berry Burst ink. Use a Blender Pen to color in the image with Petunia Pop ink. Note: The Flowers of Beauty Stamp Set contains two-step stamps. I chose to color the image using a Blender Pen instead, but you can use the "fill" stamp for the flower if you choose. Use the coordinating die from the Flowers of Beauty Dies set to cut out the image.
  5. From the Unbounded Love Dies, cut out 1 label from white cardstock. I used the widest rectangle die. From the Unbounded Love Stamp Set, stamp the word "Faith" in Berry Burst ink at the top of the sentiment label, then stamp the sentiment "Is being sure of what we cannot see" in Petunia Pop Ink. I found it helpful to cut out the sentiment label first, then stamp the sentiments.
  6. Arrange the two large flower sprig die cuts onto the card front and adhere these using liquid glue. Adhere the sentiment label over the stems of the flowers using Stampin' Dimensionals. Position the label towards the lower right of the card front. Tuck the stamped and die cut flower slightly under the upper right of the sentiment label and adhere with liquid glue or Mini Glue Dots.

7. Tie a bow from a length of Petunia Pop Bordered Ribbon and adhere the bow to the upper left of the sentiment label using a Mini Glue Dot.
8. On the inside panel, stamp the sentiment "You've got this" from the Unbounded Love Stamp Set in Petunia Pop ink. Stamp the detailed image of the large flower onto the lower left of the panel in Berry Burst ink then use a Blender Pen to color in the image using Petunia Pop ink. Adhere the panel to the remaining Berry Burst mat, then adhere this to the inside of the card.

9. Stamp the same detailed image of the flower onto the envelope front in Berry Burst ink, then use a Blender Pen to color in the image using Petunia Pop ink.
10. Adhere a coordinating piece of designer series paper to the envelope flap and use a pair of paper snips to trim the excess paper away from the flap.
11. Adhere several Pretty in Pink 2024-2026 In Color Resin Dots to the card front.

This completes the card! How lovely are these colors together? I thought the new 2024-2026 In Colors were beautiful seeing them in a digital format! But seeing the new colors in person is WOW! They are so beautiful! The Petunia Pop really goes well with the new Pretty in Pink and the existing Berry Burst.

Items used to create this card that are available now are included on the next page. Item numbers for new products that will be available on May 1 are included above under the Supply list.
