Today's card was created using the **Notes of Nature Bundle**, **Lovely & Sweet Dies** and **Nature's Sweetness 12" x 12" Specialty Designer Series Paper**. I'm calling this an elegant note card because of all of the beautiful gold accents on the card. Let's take a look!

## 1. Card Cuts:

- Card Base - Cut 1 Pecan Pie cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Distressed Gold Specialty Paper to 5-1/4" x 4"
- DSP Panel - Cut 1 Pebbled Path and gold script print to 5" x 3-3/4"
- White Panel for stamping and die cutting - Cut 1 Basic White cardstock to 3-3/4" x 2-1/2"
- Die Cut Leaves - Scraps of Granny Apple Green cardstock
- Cocoa Bean Image - Cut 1 from the Lovely & Sweet Designer Series Paper
- Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"

2. Adhere the Pebbled Path and gold script print DSP Panel to one of the Distressed Gold Mats, then adhere to the card front.
3. From the Nature's Sweetness Specialty Designer Series Paper use the Lovely & Sweet Dies to cut out one of the cocoa and leaves images. This print has a white background with gold accents. Use Pecan Pie and Granny Apple Green Stampin' Blends to color in the image. Set the die cut aside for now.
4. On the white panel measuring 3-3/4" x 2-1/2" second generation stamp the grid image from the Notes of Nature Stamp Set in Pebbled Path ink across the entire panel. Use the notebook edge die (long straight die with punched holes) to die cut along the left edge. Once the image has been die cut, tear the cardstock down the long right edge. Tear approximately 1/4" from the edge. Use a Blending Brush to blend Pebbled Path ink around all of the edges of the panel to give it a distressed look. Adhere this panel to the card front using Stampin' Dimensionals and angle the panel.

5. Use the Notes of Nature Dies to die cut three greenery pieces from Granny Apple Green cardstock. Arrange and adhere the greenery towards the top of the white distressed panel on the card front. Apply a small amount of Stampin' Seal at the base of the greenery stems and loop Linen Thread several times in a loose pattern. Adhere the die cut and colored cocoa image to the white distressed panel using Stampin' Dimensionals.
6. On the inside panel, second generation stamp the "Field Notes" image from the Notes of Nature Stamp Set onto the lower corner of the panel using Pebbled Path ink. Stamp the greenery image over the Filed Notes image - also using Pebbled Path ink. Use Granny Apple Green Stampin' Blends to color in the leaves. Stamp the sentiment "just a little note to say hello" onto the top of the panel in Pebbled Path ink. Adhere the panel to the remaining Distress Gold mat, then adhere this to the inside of the card.

7. Second generation stamp the Field Notes image onto the lower corner of the envelope front in Pebbled Path ink. Without reinking your Blending Brush, lightly blend Pebbled Path over the lower corners of the envelope to make it look distressed.
8. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Adhere three Adhesive-Backed Cork Rounds to the card front to finish up the project.

This completes the card! The rich tones of the Pecan Pie and Pebbled Path on this card combined with the gold work so well together! The pop of the Granny Apple Green helps to compliment these rich tones...love these colors together!
