If you like coloring...this is your card! The possibilities are endless with the Perfectly Penciled DSP. The black and white images of the DSP can be left as is or colored to your liking. You can choose your color scheme. I love having choices!

### 1. Card Cuts:

- Card Base - Cut 1 Basic Black cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 1 Sweet Sorbet cardstock to 5-3/8" x 4-1/8"
- DSP - Cut 1 Perfectly Penciled DSP to 5-1/4" x 4"
- Scraps of Basic White cardstock for stamping and die cutting sentiments
- Inside Card Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- DSP for Inside of Card - Cut 1 coordinating DSP to 1/2" x 4-1/8"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-3/4"

### 2. Start off by coloring the floral DSP pattern with Stampin' Blends markers. The colors I used for this card include:

- Sweet Sorbet
- Soft Succulent

<https://www.inkybeestampers.com>

- Granny Apple Green
  - Fresh Freesia
  - Petal Pink
  - Daffodil Delight
  - Pumpkin Pie
  - Pool Party
3. Adhere the now colored DSP to the Sweet Sorbet mat, then adhere this unit to the card base.
  4. Using the Sending Smiles stamp set, stamp the sentiment "Sending" in Sweet Sorbet ink. Stamp the sentiment "comfort & strength" in Sweet Sorbet Ink. Using the coordinating dies in the Sending Smiles bundle, cut out the sentiments. Adhere the sentiments to the card front using Stampin' Dimensionals.
  5. Color and adhere the strip of DSP to the inside card panel, then adhere the panel to the inside of the card.
  6. Color and adhere the piece of DSP to the envelope flap, then adhere to the flap and fussy cut around the flap to complete the envelope.

The card is complete. This coloring of the DSP did take some time, but overall the card came together quickly. I did not use any embellishments on the card as I wanted the colors of this beautiful DSP to shine!

Products used to make this card are included on the next page.
