I used the ***Timeless Arrangements Bundle*** (Stamp Set and Dies) and the ***Countryside Inn 12" x 12" Designer Series Paper*** to create today's card. The Tri-Fold Accordian card is a fun fold that allows you to present the card several different ways just by gluing different panels together. Let's get started!

## Supplies:

- Timeless Arrangements Bundle
- Countryside Inn 12" x 12" Designer Series Paper
- Stylish Shapes Dies
- Bordered Ribbon
- Painted Texture 3D Embossing Folder
- Paper: Boho Blue, Night of Navy, Basic White
- Ink: Night of Navy, Balmy Blue
- Simply Scored Scoring Tool
- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Paper Trimmer

## 1. Card Cuts:

- Card Base - Cut 1 Boho Blue cardstock to 11" x 5-1/2". Using the Simply Scored Scoring Tool, score the card base on the long edge at 4-1/4", 7" and 9-3/4". You can use the scoring tool on your Paper Trimmer too, but the Simply Scored Scoring Tool gives you really accurate score lines. Fold on the scorelines as indicated below (note that the image is reversed as Panel #1 will be the top front panel of your card).

- Cut the following cardstock and DSP pieces as indicated for the panels:
  - Panel #1 - Cut 1 Basic White cardstock to 5-3/8" x 1-1/8"
  - Panel #2 - Cut 1 Countryside Inn Night of Navy print to 5-3/8" x 2-5/8"
  - Panel #3 / Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 2-5/8"
  - Panel #4 - Cut 1 Countryside Inn print with Boho Blue background to 5-3/8" x 4-1/8"
- Use the Stylish Shapes Dies to cut the following squares:
  - Cut 1 Basic White square using the largest square die
  - Cut 1 Night of Navy square using the 2nd to largest square die
  - Cut 1 Boho Blue square using the 2nd to smallest square die
  - Additional Square - Cut 1 Night of Navy print using the 2nd to largest die from the Stylish Shapes Dies set
- Small scraps of Basic White for die cutting berry twigs and small scrap of Boho Blue for die cutting leaf sprig.
- Envelope Flap - Cut 1 coordinating Designer Series Paper to 6" x 2-1/2"

## 2. Apply liquid glue to the back of Panel #2 on the card base and glue Panel #2 and Panel #3

together.

3. Use the Painted Texture 3D Embossing Folder to emboss the Basic White cardstock for Panel #1. Adhere the embossed cardstock to the card base. Note that the fold on Panel #1 should be to your left when adhering the panel and when the card is closed.
4. Adhere the DSP pieces to Panel #2 and Panel #4 of the card base.
5. Turn the Boho Blue square so that it is in a diamond shape, then stamp the sentiment "Hope your day is filled with everything good" in Night of Navy ink. Adhere the Boho Blue Square to the Night of Navy square. Then, adhere this unit to the Basic White square using Stampin' Dimensionals. Remember that the units are still in a diamond shape. Be sure to apply Stampin' Dimensionals towards the center of the square.
6. Using the Timeless Arrangements Dies, die cut the bar with the berry twigs two (2) times. Use your paper snips to cut the twigs away from the bar. Use liquid glue to tuck the twigs under the top and bottom points of the Night of Navy square. Adhere the square unit to the front of Panel #1 on the card base. **Caution: Only apply glue to the back of the square unit that will come in contact with Panel #1.** Center the diamond shape from top to bottom and left to right.
7. Adhere the "Additional Square" in the Night of Navy print to the back side of the square unit. This helps tidy things up. Refer to the photo below. The additional square is shown on the far left of the photo.

8. Use a scrap of Boho Blue cardstock to die cut a leaf sprig. Adhere the leaf sprig to the center of Panel #2.
9. On the piece of white cardstock for Panel #3, stamp the sentiments "thanks" and "for always being there" in Night of Navy ink. Stamp the berry image in the upper right and lower left of the panel using Balmy Blue ink. Adhere the panel to the inside of the card in the Panel #3 position.

11. Stamp the small berry image onto the lower left of the envelope front and adhere the coordinating piece of Designer Series Paper to the envelope flap and trim the excess paper away from the flap.
