For today's card I used upcoming Online Exclusives products from the **Season of Green & Gold Suite Collection** (**Golden Greenery Bundle**, **Greetings of the Season Dies**, **Season of Green & Gold 12" x 12" Specialty Designer Series Paper**) plus some **Graceful Greenery Vellum 12" x 12" Specialty Designer Series Paper**. These items are clearly meant for creating cards for the holidays, but everyday cards can be made using these products as well! Today's card is an example! I pulled a sentiment from the Blueberry Bunches Stamp Set and I also used a little paper from the Country Woods 12" x 12" Designer Series Paper pack. New items in the Online Exclusives section of the Online Store will be available to customers on July 3. Let's check out the card!

Supplies:

- Golden Greenery Bundle - Item #164117
- Greetings of the Season Dies - Item #164112
- Blueberry Bunches Stamp Set (sentiment)
- Country Woods 12" x 12" Designer Series Paper
- Graceful Greenery Vellum 12" x 12" Specialty Designer Series Paper - Item #164118

Scraps of Basic White, and Old Olive for stamping and/or die cutting greenery

- Inside of Card

Mat - Cut 1 Old Olive cardstock to 5-3/8" x 3-1/8"

Panel - Cut 1 Basic White cardstock to 5-1/4" x 3"

- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. Adhere the DSP Panels for the card front to their Old Olive mats, then adhere the panels to the card front.
3. From the Blueberry Bunches Stamp Set, stamp the "Hello there" sentiment in Petunia Pop ink onto a piece of white cardstock. Use one of the small tag label dies from the Greetings of the Season Dies to cut out the sentiment.
4. Use the largest die from the Greetings of the Season Dies to cut out two tags - one from Old Olive cardstock and one from a woodgrain print from the Country Woods Designer Series Paper. Use two lengths of white Baker's Twine and loop the twine through both holes in the tags and tie a bow. I placed the Old Olive tag on top of the woodgrain tag. Use a small amount of liquid glue to adhere the tags together but leave a portion of the woodgrain tag underneath showing. Adhere the tag unit to the larger panel of the card front using Stampin' Dimensionals and position the tag unit at an angle.

5. On scrap pieces of white cardstock, use the two-step stamps from the Gold Greenery Stamp Set to stamp the two greenery images. Stamp one of the images in Petunia Pop and one of the images in Pretty in Pink. Use the coordinating dies from the Golden Greenery Dies to cut out the images. Use the same dies to cut out an additional greenery sprig from Old Olive cardstock and one additional sprig from the white Graceful Greenery Vellum Specialty Designer Series Paper. Arrange the die cut greenery pieces onto the tag unit and adhere using a small amount of liquid glue. Refer to photos for placement.
6. Use a short length of white Baker's Twine and loop through the sentiment label tag. Adhere the sentiment label using a combination of Stampin' Dimensionals and Mini Glue Dots to the bottom of the large tag unit.
7. On the inside panel, use the two step stamps from the Golden Greenery Stamp Set to stamp the two greenery images in Petunia Pop and Pretty in Pink. Stamp the greenery onto the lower corner of the panel and overlap the stamped images. Adhere the panel to its Old Olive mat, then adhere this to the inside of the card base.

8. Stamp the same two greenery images as you did in Step #7 above onto the lower corner of the envelope front using Petunia Pop and Pretty in Pink inks.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Adhere three Petunia Pop Adhesive-Backed Pearls to the card front to complete the project.
