1. Card Cuts:

- Card Base - Cut 1 Night of Navy cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Peach Pie cardstock to 5-3/8" x 4-1/8"
- DSP Panels -
 - Cut 1 Country Lace Designer Series Paper circle print in Petal Pink to 5-1/4" x 4"
 - Cut 1 Country Woods Designer Series Paper woodgrain print in Smoky Slate to 5-1/4" x 4"
- Sentiment Label
 - Cut 1 rectangular label to approximately 2-3/8" x 1-3/4" from Basic White cardstock. Save the frame of this die cut for your project.
 - Cut 1 rectangular label to approximately 2-3/8" x 1-3/4" from Peach Pie cardstock. Save the interior label of this die cut for your project.
- Die Cut Sprigs - Scrap of Basic White cardstock
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. On one of the DSP Panels measuring 5-1/4" x 4", measure from the top left corner down to 2" and make a light pencil mark. Then measure from the bottom right corner across to 1" and make a light pencil mark. Stack the two DSP Panels together and line up the pencil marks on your paper trimmer and make a diagonal cut across both panels at the same time. Adhere the Petal Pink print to the top portion of one of the Peach Pie mats and adhere the Smoky Slate print to the bottom portion of the Peach Pie mat. I used liquid glue to adhere these panels. You will have two remaining pieces for a second card!

3. Cut a 6" length of White Diagonal Trim. Apply a short piece of Tear & Tape to the back side of each end of the ribbon. Adhere a Mini Glue Dot to the back side of the center of the ribbon. Adhere the ribbon along the diagonal cut on the panel from Step #2 above. Adhere the ends of the ribbon to the back side of the panel unit. Then, adhere the panel unit to the card front using liquid glue or Stampin' Seal.
4. From the Paper Butterfly Accents pack, punch out 1 large butterfly and 2 small butterflies (refer to photos). Use the light shade of a Peach Pie Stampin' Blend to color the butterfly wings, then use the dark shade of a Peach Pie Stampin' Blend to darken the center and outside edges of the wings. Blend with the light shade of a Peach Pie Stampin' Blend. Color the butterfly bodies and antenna using the dark shade of a Pebbled Path Stampin' Blend. Set aside for now.
5. Stamp the "Happy Birthday" sentiment from the Unbounded Love Stamp Set onto a piece of Peach Pie cardstock using Peach Pie ink. Use the decorative rectangular die from the Unbounded Love Dies to cut out the sentiment. Cut a second sentiment label (no stamping) from white cardstock. Place the white sentiment label frame around the stamped Peach Pie sentiment and turn over. Use Stampin' Dimensionals to adhere the white frame to the Peach Pie sentiment label. Do not remove the Stampin' Dimensional covers yet!

6. Using the Flowers of Beauty Dies, die cut 2 small leaf sprigs from white cardstock.
7. Using the reference photos, arrange the butterflies, sentiment label onto the card front. The two small butterflies sit at the bottom of the card front. The larger butterfly sits at the top left of the card front and the body of the butterfly slightly overlaps the sentiment label. Adhere the small butterflies to the card front. Remove the Stampin' Dimensional covers from the sentiment label and adhere the sentiment to the card front. Adhere the remaining large butterfly to the card front. Use liquid glue to adhere the two small white sprigs to the card front. Tuck the sprigs under the sentiment label slightly. Note that you will need to cut thin strips of Stampin' Dimensionals for the butterfly.
8. Punch out a large butterfly from the Paper Butterfly Accents pack. This butterfly will be used as a mask to blend the image of the butterfly onto the inside panel and envelope front. Place the butterfly punch out onto the lower left corner of the inside panel. Hold the butterfly in place or use a small amount of temporary adhesive on the back of the butterfly to hold it in place. Gently tape Peach Pie ink over the butterfly mask and around all of the edges to create a negative image of the butterfly. From the Unbounded Love Bundle, stamp the sentiment "May all your wishes come true" in Peach Pie ink at the top of the panel. Adhere the panel to the remaining Peach Pie mat, then adhere this to the inside of the card.

9. Repeat the masking and inking process of the butterfly on the envelope front using Peach Pie ink.
10. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
11. Adhere 1 large and 2 small Pearls in a row just above the right side of the sentiment label.
