- die. Use a blending brush to blend Wild Wheat ink around the edges of both circles. Leave more white space on the smaller circle.
5. From the Christmas Classics Stamp Set, stamp the sentiment "Peace on Earth" onto the smaller circle from Step #4 above.
 6. Adhere the stamped and colored angel circle to the large Deckled Circle. Adhere this unit to the card front using Stampin' Dimensionals and position the circle towards the top of the card and center from left to right.
 7. Apply a small amount of Stampin' Seal just below the large circle on the card front. Use a length of Gold Trim and adhere the trim to the area of Stampin' Seal, looping the trim diagonally several times. Adhere the sentiment label (smaller deckled circle) to the card front using Stampin' Dimensionals. The sentiment label will sit directly below the larger circle and will slightly overlap the large circle on the bottom.
 8. On the inside panel, stamp the bells in the upper left and right corners of the panel using Tuxedo Black Memento Ink. Use Poppy Parade and Wild Wheat Stampin' Blends to color in the images. From the Christmas Classics Stamp Set, stamp the sentiment "Tidings of Comfort & Joy" in Wild Wheat ink. Adhere the panel to the inside of the card.

9. Stamp the same bell image onto the envelope front and color using Stampin' Blends.
10. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
11. Adhere several gold Festive Pearls to the sentiment label on the card front.

This completes the card! It was easy to coordinate the colors used to color in the angel image as they are the same colors found in the designer series paper! I love that Stampin' Up! takes all of the guess work out of creating beautiful images!

Products used to create this card are included on the next page.
