Measurements:

-11" x 4-1/4" and 2" x 2" scrap Cumb Cake Cardstock

-5-1/4" x 4" DSP

-4" x 4" Glimmer or Foil Paper

-2" x 2" scrap Whisper White Cardstock

1. Score Crumb Cake Cardstock at 4-1/4", fold, and crease to form card base. Stamp greeting on DSP using Soft Suede ink and adhere to front of card base with Snail adhesive.
2. Run 4 x 4 Glimmer or Foil paper through Big Shot with largest snowflake die using the Precision Base Plate. When cutting super intricate dies, the Precision Base Plate allows your die cuts to pop out with ease. Adhere to card front with Snail adhesive.
3. Stamp the medium and/or small snowflakes using Soft Suede ink and run through the Big Shot with corresponding dies. If using both medium and small snowflakes, stick them together with Snail adhesive. Adhere medium snowflake to center of large snowflake with 2 Stampin' Dimensionals. Fill center of stacked snowflakes with Snowflake Trinket (using a Mini Glue Dot) or a large pearl.
4. Stamp additional greeting and small snowflake stamp on inside of card, again using the Soft Suede ink.
