-DSP: 5" x 2-1/2"

Instructions:

1. Fold Sahara Sand Cardstock in half and crease with Bone Folder. Stamp greeting at bottom right of Pool Party Cardstock with StazOn Black Ink. Adhere DSP to Pool Party Cardstock with Snail. Adhere Pool Party Panel to card front with Snail.
2. Run Bermuda Bay Cardstock through Big Shot with 3-5/8" x 2-1/4" Stitched Rectangle. Run Watercolor Paper through Big Shot with 3-1/4" x 1-7/8" Stitched Rectangle.
3. Stamp bird image on right side of Watercolor Paper with Black StazOn. Using Stamparatus, stamp the image 3 times so it's really dark. Stamp the bird image on the left side now and stamp it 3 times. Make sure you ink up the stamp each time. Use the Heat Tool to dry the ink completely before using the Aquapainter.
4. Pick up some Sahara Sand ink with Aquapainter and color the sand, avoiding the birds. Now do the same with Pool Party ink to color the sky and sea. Add more ink as desired for deeper shades. Add some Pool Party Ink over the Sahara Sand ink to create water over the sand. Dry with Heat Tool. Then adhere to Bermuda Bay Cardstock with Snail.
5. Adhere your art piece to card front with Stampin' Dimensionals. Scatter iridescent sequins across the card as desired. Tie a length of Nature's Twine (Crumb Cake) or Black Twine all the way around the inside of the card, finishing off at top left.
