Measurements:

- Real Red Cardstock OR Moody Mauve Cardstock: 8-3/8" x 3-3/8"
- Basic White Cardstock: 4" x 3"
- DSP: 3-1/2" x 2-1/2" (you need 2 of the same)

Instructions:

1. Take cardstock and on BOTH long sides, score at the 4" mark. On BOTH short sides, score at the 3/8" mark.
2. Cut away BOTH middle side squares. Fold all score lines to inside. Bring both ends up at top and match up. Punch a hole, centered, through both ends at the same time.
3. Using small amount of Liquid Glue, adhere the side seams together. You can slide the KitKat inside so that you can press down on the seams.
4. Take an 18" length of matching ribbon and feed through both holes across the top. Push the KitKat down so that the ribbon wraps around the bar and slides down into the cover with it. Tie a bow at the top.
5. Run Basic White Cardstock thru Cut & Emboss to make 2 hearts. Stamp with Real Red OR Cherry Cobbler ink and adhere hearts (with Seal) to front and back of slider so it's pretty on both sides:). Scatter sequins across front if desired.
