I used the fine tip of the markers on this project and small, circular strokes.

Measurements:

- 8-1/2" x 5-1/2" Crumb Cake Card Stock
- 5" x 3-1/4" Very Vanilla Card Stock
- 2-1/2" x 2-1/2" Calypso Coral Card Stock
- 8" ribbon

1. Fold Crumb Cake Card Stock in half and crease with Bone Folder to form card base. Using Crumb Cake ink stamp the flower head only all around the edge of the card front. Set aside.
2. Take Very Vanilla Card Stock and run through Big Shot on the largest of the Lots of Labels Framelits. Stamp flower on label using Tuxedo Black Memento ink. Ensure ink has dried before adding Blends.
3. Color stamens with Dark Calypso Coral Blends Marker. Add a little Light Calypso Coral Blends Marker to top of stamens in a sort of halo effect.
4. Outline all black lines of flower with Dark Bermuda Bay Blends Marker. Now add some of the Light Bermuda Bay Blends Marker--but leave some places free of ink. Take Dark Pool Party Blends Marker and blend all the Bermuda Bay shades together using the fine tip and small, round strokes. Use Light Pool Party over the Light Calypso Coral to blend that as well so that the colors seamlessly mesh together.
5. Color in the outer leaves and most of the stem with Dark Crumb Cake Blends Marker. Now take the Light Calypso Coral and fill in the remainder of the stem and leaves, blending with the Dark Crumb Cake so that no obvious lines of color remain.
6. Stamp greeting on Calypso Coral Card Stock and punch out with 1-3/4" round circle punch. Use snail adhesive to adhere to right side of flower image near bottom as shown leaving a bit of the

circle sticking out. Adhere label to front of card using 6 Stampin' Dimensionals.

7. Tie bow with ribbon and adhere with Mini Glue Dot. Color rhinestoes with Dark Calypso Coral Blends Marker and adhere to bottom of the flower stamens.
