You will make 2 projects at this station. A Memory Keeper with 4 pockets to hold photos, record memories, and store memorabilia, and a box that you can keep your handmade soap gift in!

From the order you brought with you:

- Weekend Adventure Designer Paper & Sticker pack #167314
- Foiled Frames & Labels pack #165616
- Basic White Note Card / envelope pack #159232

Supplies in your cruise packet - Station 4:

- Gift Bags (1 large, 1 small) (sold out) #164922
- Suitcase Treat Box #165580
- Cardstock 1/4 sheets: Basic Beige, Misty Moonlight, Cajun Craze, Old Olive
- 3x4 Flip Flaps #166513

Project Tips:

- There is so much beautiful paper in the Weekend Adventure pack that you can alter the DSP choices for this project if you prefer to use different patterns than I did.
- I'd recommend looking at all the patterns, then cutting all the pieces of DSP first. Then assemble, then add the stickers.
- There are some stickers on the table you can use in addition to the stickers in your Weekend Adventure DSP/sticker pack for decorating the suitcase box. This box will be used to store/transport for your handmade soap gift.

4 Pocket / Gift Bag Memory Keeper Project

This project is a really fun design - by adhering 2 gift bags together, you form 4 pockets to store photos, and add journaling, & memorabilia, etc.

(right photo): decorate the large and small bags with DSP and stickers and adhere them together. DO NOT put the small bag all the way to the bottom of the large bag (see photo).

Measure your bags before cutting the DSP to decorate them. I found not all the bags were exactly the same size.

Back of the large bag:

Cut belly band and wrap around the 2 bags, but only put adhesive on the front side and at the BOTTOM of the band on the BACK to form a pocket on the back. Add "wander wonder repeat" to the front.

Inserts for the small bag:

Use the Basic Beige cardstock, trim to 3-1/4" x 4-1/4", add stickers as shown. This goes in the front pocket of the small bag.

Use the Basic White Note Card, trimmed to 3" wide, and decorate the front and inside with your choice of DSP and stickers. Add to back pocket of the small bag.
