Tips for Brushed with Beauty Quilt Cards:

- Select contrasting patterns of DSP - I used Brushed with Beauty
- Cut TWO squares at 3", score diagonally
- Use a 2" white square in the center or the Stylish Shapes square that is approx. 2"
- Cut ONE cardstock square at 4" - select coordinating colors from the DSP you are using
- Emboss your card front for extra texture
- Try the fun fancy corner die cut from the Beautifully Celebrated dies for more added fun
- Stamp your greeting or, use one from the Greetings for All Ephemera Pack
- Add a circle, a square, a die cut or a vellum embellishment in the center (see supply list on the last page)

Calypso Coral Brushed with Beauty Quilt Card with Damask embossing folder

The corners were die cut with the Brushed with Beauty DSP for this one... it's kind of "a lot" of patterns but I like it!!
