1. Take a 5 1/2 x 8 1/2 (13.97 x 21.59 cm) piece of Crumb Cake Cardstock and score at 1/4" & 4 1/4".(0.635 & 10.795)

2. Flip the card stock around on the short side that's not been scored and trim off 1/4". (0.635)
3. Turn to long side and cut off 1/4". (0.635)9.5Fold and burnish all the score lines. Add tear & tape on the 1/4" fold (you will have to fold the tear & tape over on itself because it's too large). Add one strip at the bottom of the card. Close the card base up. This will create a pocket.
4. Take a 3 3/4" x 5 1/4" (9.525 x 13.335) and insert into the pocket. On the card base with the inside panel take a ruler and make a mark at half way in the center of the card base about 1" from the opening. Punch a hole at the mark through all the layers at this point. Take out the insert and flip it around and line up both holes. Run ribbon through the holes and pull the insert out of the pocket and pull your ribbon and tie a bow. (See video if unclear). This is what makes your ribbon slider mechanism.
5. Now let's add the card front. Put the designer series paper and the 3 3/4 x 5 lovely lipstick cardstock together. Place the card front on the card base making sure to not add adhesive at the top of the card front. This will allow the ribbon slider to move freely.
6. On the 3 x 3 piece of Whisper White cardstock stamp and die cut the heart of your choice from the Meant to Be stamp set, and use the matching framelit. Add this to the 2 1/2 x 3 piece of whisper white. Die cut the matching heart with the flirty flamingo piece so that you have the scalloped heart to place around the stamped image. Pop the heart up on dimensionals onto the whisper white cardstock. Add this to the 2 3/4 x 3 1/4 piece of Lovely Lipstick. Add dimensionals behind this piece making sure to not add any where the ribbon will get stuck. Make sure that you hide the ribbon behind this piece, that way the ribbon looks like it is a continual piece when pulled out.
7. Finish off by adding three Heart Epoxy droplets that have been colored with a Lovely Lipstick Stampin' Blend
8. To hide the ribbon on the back add a piece of Flirty Flamingo cardstock 4 x 5 1/4. Attach a piece of 3 3/4 x 5 whisper white to the flirty flamingo cardstock and attach to the back just like the front.
