Instructions:

1. Fold & burnish your basic black piece that's 4 1/4 x 11 in half. Take the designer series paper (using the black & white side) and attach to the real red (4 x 4 1/4) using multipurpose liquid glue.
2. Stamp the frog on the 2 1/2 x 2 1/2 piece of whisper white in tuxedo black ink. On the 2 3/4 x 2 piece of whisper white stamp the little flies from the So Hoppy Together Stamp set in tuxedo black ink. And the sentiment (You can do anything) in Real Red ink. (if you don't have the framelit stamp on the smaller piece of whisper white)
3. Attach the calendar to the smaller piece of basic black cardstock (2 3/4 x 2) to the real red pieces.(3 x 2 1/4)
4. Color the flies with pineapple punch to make them look like lighting bugs. Color the frogs tummy in pineapple punch then go over in granny apple green light.
5. Color the rest of the frog with granny apple green dark and blend out with the granny apple green light. Color his eyes with pineapple punch. This is just simple coloring nothing fancy.
6. Optional step: if you have the matching framelit cut out the frog.
7. Attach the fly and sentiment image to the smaller other piece of basic black (2 7/8 x 2 1/8 & pieces)
8. Add a Stampin' dimensional behind the frog if you cut him out.
9. Now dry fit the two smaller pieces to the card front making sure you have perfect placement and have the same amount of border around the card. Add glue behind each piece one at a time. I used liquid glue for this because it allows for a little more wiggle room so that I can make sure the pieces are perfect.
10. Add Tear & Tape to the two smaller flaps on the 3 1/2 x 4 piece of basic black cardstock. Create a valley mountain valley fold. This will get attached to inside of the card base. at the very bottom in the center. Do one side at a time. I started on the back side and secured it then moved to the front side and just close the card.to secure. The inside will look like the picture below.
