Instructions

Please read through the instructions before beginning project.

1. Adhere the Flirty Flamingo CS to the Sahara Sand Card base then attach the Pick A Pattern DSP with an offset angle to the Flirty Flamingo.
2. Stamp out the text messages you would like to use on the Whisper White CS. For the messages on the right I stamped off with Emerald Envy before stamping in the text bubble. For the messages on the left I used the Sahara Sand Stampin' Write Marker so I could color in the emoji faces and hand with the Daffodil Delight Stampin' Write Marker.
3. Trim the text message box down to 2 3/4 x 3 x 3/4 and attach to the front of the card using dimensionals.
