Instructions

Please read through the instructions before beginning project.

1. Start by stamping out all of the images that will be cut out with the Big Shot. For the tree I first stamped with Old Olive Classic Stampin' Pad then stamped again slight offset with Garden Green to give it a two tones effect. Follow these same steps to create the garland for the stairs. I used Lemon Lime Twist, Watermelon Wonder and Berry Burst Classic Stampin' Pads to stamp the ornaments for the tree.
2. Using Early Espresso Classic Stampin' Pad stamp the table on the Crumb Cake CS. The remaining elements were

stamped using Basic Black Archival Stampin' Pad on Whisper White CS. Using the Big Shot cut out all of the images that were stamped and using the Crumb Cake CS cut out the stair case.

3. Using the Stampin' Write Markers color in the stamped images to your liking and attach using Mini Glue Dots.

4. To fold the card start by scoring and folding the Sahara Sand CS at 2 1/8 and 5 1/2. The score line at 2 1/8 will be folder outwards and the score at 5 1/2 will be folder inwards Making a Z shape. The Window Sheet will be scored at 4 1/4 and 2 1/8, again folding inward at 4 1/4 and outward at 2 1/8. Adhere the Window Sheet to the Sahara Sand Card base using Snail adhesive so that the 4 1/4 piece is attached to the 2 1/8 side of Sahara Sand CS base and the 2 1/8 piece is attached to the 4 1/4 side of the Sahara Sand CS base.
