Instructions

Please read through the instructions before beginning project.

1. Using the Hardwood stamp and Early Espresso Ink, stamp on the Crumb Cake CS two times to create the background for the crate. Cut out the crate twice using the Big Shot and the Wood Crate Framelit; remember you will need one for each side. Once they are cut turn the CS over so the unstamped side is showing and stamp the Hardwood pattern again on both pieces. I think this gives the crate a finished look. Attach the crate together using Snail.

2. From the Label Me Pretty stamp set, stamp the blank centered label on the scrap piece of Whisper White CS in Early Espresso Ink. Using the circle stamp from the Wood Words Stamp set and Lemon Lime Twist Ink, stamp off once then stamp the circle in the middle of the label. Then take the "fresh treats" stamp and stamp over top of the circle using Early Espresso. Punch out the label using the Label Me Pretty Punch. Attach to the crate using Stampin' Dimensionals.

3. Cut the tag from the Wood Crate Framelit set using the Big Shot and the Whisper White CS scrap. Stamp the "for you" sentiment on the tag using Lemon Lime Twist Ink.
4. Put the desired treats that you are giving into a 6 x 8 Cellophane Bag and tie it using Daffodil Delight 1/4" Double-Stitched Ribbon. Attach the tag using the Very Vanilla Solid Bakers Twine.
