Instructions

Please read through the instructions before beginning project.

1. Create the scissor background by randomly stamping the scissor stamp with Flirty Flamingo ink on the Flirty Flamingo CS.
2. Stamp the paint brushes and the pen on the 4 x 5 scrap piece of Whisper White card stock using Sahara Sand ink. With the largest oval from the Stitched Framelits die set and your Big Shot, cut out the paint brushes so they are lined up within the oval. Fussy cut the pen for the inside of the card.

3. I used my Sahara Sand, Flirty Flamingo and Emerald Envy Classic Stampin' Pads and my Watercolor brush to color in the pot and the paint brushes. Be careful to keep the brush slightly wet, too much water will make the ink run and can breakdown the fibers in the paper causing it to rip. Let the painted images dry before attaching to the card.
4. With the 4 x 5/14 piece of Whisper White CS and Sahara Sand ink, stamp the sentiment in the lower left hand corner. This piece is going to go inside of the card to write you message on.
5. Once the painted images are dry its time to assemble the card. Adhere the Flirty Flamingo CS to the Emerald Envy CS then add the DSP about 1 1/2 inches from the bottom of the card. I used Dimensionals to pop up my paint brushes on the front and Snail to attach the pen on the inside of the card.

I hope you enjoy making this card. Please feel free to contact me with any questions you may have.
