### Card #1

1. Cut a piece of Basic Black card stock 4 1/4" X 11" and fold in half to create your card.
2. Cut a piece of Whisper White card stock 4" X 5 1/4" and attach to the inside of your card.
3. Cut a piece of Whisper White card stock 3 1/2" X 4" and using the scallop edged die; die cut each side. Tip- Line up the edge of the die 1/8" from the edge on both sides.
4. Cut 2 pieces of Basic Black card stock 1/4" X 4" and attach next to each scalloped edge as shown.
5. Using the Black Memento ink stamp a sentiment of your choice towards the bottom as shown.
6. Attach this piece to your card front approximately 3/4" from the left side.
7. On a Piece of Basic Black card stock stamp the heart shown from the Meant to Be stamp set using Versamark and emboss with White embossing powder. (You may want to use an embossing buddy.)
8. Die cut the heart out with the coordinating scallop heart die. (You will notice this die cuts, scallops, and makes the stitching all at the same time.) You will want to attach the stitched scallop heart to the embossed base heart. To do this flip them over and make sure they are perfectly placed together and on the cut line apply small pieces of dimensionals (I cut them into smaller pieces).
9. Pop your heart up on the card front as shown.
10. Apply a smaller Pearl in the top middle of the heart and 2 larger ones in the upper left hand corner as shown.
