2. Measure 1 1/4" from side of card. On card front, cut from score line to card edge. Do this on both sides. *Tip: It's better to start from the fold when you cut. If you start at the edge of the card & cut up toward the score line, you run the risk of over-cutting or under-cutting.
3. Cut Timeless Christmas Designer Series Paper (DSP) 2 7/8" x 4 1/8" and cut 2 at 1 1/8" x 4 1/8". Adhere the large piece to the front center and the smaller ones to the sides. Glue both sides down to the inside, so that only the center lifts up.
4. Use Box of Joy Dies to cut largest oval shape from Basic White CS. Pop it up on card front using Dimensionals. Stamp sentiment from Soiree Salutations using Poppy Parade ink. Use Three Banner Punch to punch it out then pop it up using Mini Dimensionals. Cut candy from Timeless Metallic Specialty DSP (gorgeous!) and use Dimensional to adhere it to card.
5. Inside: Cut Basic White CS 2 7/8" x 4 1/8". Using Home for Christmas set, stamp tree using Peaceful Pine ink & star using Daffodil Delight ink. Stamp sentiment from Soiree Salutations using Poppy Parade ink. Glue onto inside top flap.
6. Cut Gift Card Holder using Home for Christmas Dies from Timeless Christmas DSP. Fold at score lines then adhere to card inside. Stick Gift Card inside. *Tip: You could make a tag to go inside the pocket, instead of a Gift Card, if you wish.
