3. Glue black 1" strip along bottom of card, with long panel on the left. Glue ONLY the outer 2 3/4" sections! The 2 middle sections will be loose (see photo).
4. Cut Peaceful Place Designer Series Paper (DSP) 5 3/8" x 5 3/8" for the main image, and 5 3/8" x 2 5/8" (cut 2) for the smaller panels. Glue to card base.
5. Cut Basic White pieces: 3" x 6" for cabin, 3 1/2" x 6" for trees, 2" x 4 1/4" for fox, 2" x 4" for sentiment, and 5 1/4" x 5 1/4" for back.

6. Stamp images on white pieces using Memento ink and positioning them as shown using your Stamparatus. Tip: Don't smooch too hard. The images won't be crisp. The beauty of the Stamparatus is that you can ink again & it will stamp in the same spot!
7. Cut out images using Cabin Dies and cut out sentiment using Rectangle Stitched Dies. Cut bird from Cherry Cobbler CS using bird from Beautiful Trees Dies.
8. Glue cabin piece onto left black 1" piece (be careful not to get glue on the other part of your card!!). Trim excess from center at fold.
9. Glue tree piece onto right black 1" piece, again being careful with glue. Close card and use Bone Folder to burnish fold. Trim excess from right side.
10. Glue fox piece to center as shown in photo, making right edge meet up with crease between the trees.
11. Use leftover Basic White scraps to stamp 2 fences. Cut out using Dies and pop them up on card using Mini Dimensionals.
12. Pop up sentiment using Dimensionals and place on card, hiding the white edge.
13. Glue bird in tree and glue down scattered sequins.

14. Stamp sentiment on large white square using Memento ink and stamp snowflakes using Basic Gray ink. Glue onto back of card.

15. Custom make envelope using Envelope Punch Board.
