1. Select yellow card base from kit. Fold back the card front, leaving just a 1/2" border of the yellow on the fold side. Crease with your Bone Folder.
2. Cut Waterside Retreat Designer Series Paper (DSP) 5 1/2" long x 4 1/4" wide. *Tip: you may have to cut it a little less than 4 1/4" wide because of the fold. Glue this to inside of card.
3. Cut Basic White cardstock (CS) 4" x 5 1/4", then cut it in half diagonally. Stamp whatever you want on the inside (I've used Lost Lagoon and Lemon Lolly inks, but anything will do). Glue to inside of card, leaving a small margin on the bottom & left, so that the DSP peeks through.
4. Glue down the flap on the card front, then glue the bicycle die cut piece on top, being careful not to get glue on the parts that go over the inside of the card.
5. Select the basket die cut piece. Stamp it with Calypso Coral flowers. Use dimensionals to pop it up on your card.
6. Embellish it with Rhinestone Basic Jewels.
7. Stamp that cute bicycle on your envelope!
