1. Cut Pretty in Pink cardstock (CS) 4 1/4" x 11". Score at 1", 2 3/4", 3 3/4", 5 1/2", 7 1/4", 8 1/4", and 10". Then cut a SLIT at 5 1/2" (the center), leaving a 3/4" margin on each side (start with the blade at 3/4" and cut down to 3 1/2"). Fold at score lines... all towards the center of the card. Burnish with Bone Folder.
2. Cut Pretty in Pink CS 3 1/2" x 3/4" and 5 1/2" x 2 3/4".
3. Cut Basic White CS 4" x 1 1/2" and 3 1/2" x 3/4".
4. Cut Wildflower Birthday Specialty Designer Series Paper (DSP) 4" x 1 1/2" (cut 2) and 4" x 3/4" (cut 2).
5. Choose your focal point for the pop up. I've chosen the birthday cake image from the page from the DSP with many different images. Cut it down to 2 1/2" x 4 3/4". *Tip: I wanted the candles to show when the card was closed, so I've cut a bit off the top. Also, don't pop anything up with Dimensionals because this needs to slide easily through the slit.

6. Put your focal point art through the slit. The candles should be showing out the right side. Fold

in half at the 5 1/2" mark. Turn over to wrong side and fold up the bottom panel and apply Liquid Glue or Tear & Tape to that panel. Slide the focal point (birthday cake) down and glue it onto that panel. Fold the top 1" panel towards the inside, apply Liquid Glue or Tear & Tape Adhesive, then fold down to stick to the bottom.

7. Fold your card flat, then decorate! Glue the large & small DSP pieces to the top & center panels. Flip it over and do the same to the back side.

8. Stamp sentiment from Birthday Celebration stamp set with Blueberry Bushel ink onto the small white piece. *Tip: use your Grid Paper to get the stamps level. Glue white piece to the small Pink CS. Stamp "cake" with Pretty in Pink ink on a scrap of Basic White CS. Fussy cut the word out then pop up between "happy" and "day" using Mini Dimensionals. Put a line of Liquid Adhesive on the top of the panel and at the bottom of the sentiment piece. Glue onto card so that the sentiment piece sticks up a bit.

9. Use the 4" x 1 1/2" Basic White piece for your place to sign the card. Stamp banner using Pretty in Pink ink along top, then glue to the lowest panel of the card. Glue flower image in between the 2 banners. This will be on the bottom when the card is opened.
