1. Cut Poppy Parade cardstock (CS) 11" x 4 1/4". Score at 2 3/4" and 5 1/2". Fold mountain - valley (see photo).
2. Cut strawberry and polka dot card bases in half at the score lines. Cut strawberry one 2 1/2" X 4", paying attention to direction of the strawberries. Glue onto card front. Cut polka dot one 4" x 5 1/4" and glue onto inside of card.
3. Take 2 scalloped rectangles from your kit. Stamp sentiment on the right side of one, using Garden Green ink. Glue the left side to the strawberry panel, making sure not to get glue on the right side. Glue the 2nd scallop piece onto the polka dot paper, making sure it lines up with the top rectangle, so that you can't see it when you close the card.
4. Use dimensionals to pop up the basket and add the strawberries in the basket, then stick it to your card front, over the scalloped rectangle. Glue a small strawberry onto the bottom of the basket and glue a few flowers around, bending the petals a bit to make them 3D. I just put a dot of glue in the center of the flowers and not on the petals. You can use Mini Dimensionals to pop up 1-2 of the flowers.
5. Add sparkle with Wink of Stella and add a few Iridescent Pearl Basic Jewels.
