1. Cut Bumblebee cardstock (CS) 8 1/2" x 5 1/2" and score at 4 1/4".
2. Cut Basic White CS 5 1/4" x 4" for inside.
3. Cut Harvest Meadow Designer Series Paper (DSP) 4 3/4" x 3 1/2". Slide Classic Label Punch (retired) all the way to the middle and punch. Tip: If you don't have the Classic Label Punch, use the rectangle from Window Flower Box Dies.
4. Cut Misty Moonlight CS 5" x 3 3/4" and glue onto card base.
5. Cut Pull Mechanism 6" x 2" and score at 2" and 2 1/2". Punch longer end with Delightful Tag Topper Punch
6. Cut 3 squares: 2 5/8" square Bumblebee; 2 1/8" square Bumblebee; and 2" square Basic White.
7. Fold Pull Mechanism along score lines. Glue smallest Bumblebee square next to the last score line (the end without the Tag Topper Punch). Stamp sentiment on Basic White square and glue onto small Bumblebee square. Place Tear & Tape on 1/2" score line, then stick largest Bumblebee square next to the next score line, making sure it's centered.
8. Slide scalloped end of Mechanism into hole you've punched in your DSP. Place Tear & Tape along end of square that has the sentiment on it. Position the large square in the center of the DSP, then press down to stick in place.
9. Stick dimensionals on back of DSP, keeping them away from Pull Mechanism, then stick it onto Misty Moonlight piece. Glue onto card base.
10. Put ribbon through the hole in the Pull Mechanism so that they know to pull the tab.

11. Baby Wipe Technique: Randomly add drops of ink from reinkers to a Baby Wipe. Using the Baby Wipe as your "ink pad", stamp the pumpkin image on Basic White Scrap. Cut out pumpkin using dies, along with Calypso Coral leaves. Pop up on front square with dimensionals.

12. Stamp the inside and you're done with this cute card!
