Today I'm making Lollipop Treats for Valentine's Day. Not only are they quick & simple, but you can alter them for other holidays & occasions as well.

1. **Cut the Designer Series Paper at 6 1/2" x 2 and score* at 2 5/8" and 3 7/8".**
2. **Punch both ends using the Scalloped Tag Topper Punch.**
3. **Fold on the score lines.**
4. **Place a lollipop inside & feed the stick through one of the holes. Keep it in place using a glue dot on the bottom.**
5. **Fold the front up & close by threading ribbon through the front hole and around the stick in the back hole, then back through the front hole.**
6. **Tie a bow.**
7. **Embellish as desired and you have a cute Lollipop Treat!**

***Tip: Be careful when you score Designer Series Paper. It's thinner than cardstock so you'll need a lighter touch.**
