2. Short Front Panel

- Cut Blueberry Bushel cardstock 8 1/2" x 2 1/4". Score at 1 1/2" (valley fold) and 3" (mountain fold)

. *Note: the "top" and "bottom" should be reversed!!! Wiper panel is at the TOP!

- Cover JUST THE CORNER with Tombo glue. It's bent back, so you are putting glue on the white outside part of that small corner. Push down the corner with the glue, to adhere it to the 2nd small panel as shown in above photo. Let it dry.

5. Assemble the Double Z-Fold Card Base

- Glue only the far left section of the Short Front Panel to the left side of the Back Panel and glue the far right section of the Tall Back Panel to the right side of the Front Panel. The base can be flattened to make gluing easier. After the front and the back panels are attached, the pop-up element should move up and down freely as the card is opened and closed by gently pulling and pushing the sides.

1. Decorate some more!

- Using Birthday Celebration Dies, cut string from Basic White CS, tassels from Pretty in Pink, Peach Pie, and Pool Party CS and glue onto Short Front Panel as shown.
- Cut balloons from Pool Party & Peach Pie CS. Attach string to back of balloons using a Glue Dot and pop one of them up using Dimensionals.
- Cut flower from Pretty in Pink CS and stick it by the sentiment. Embellish with a Party Dot.
- Cut 4" X 5 1/4" Basic White CS and stamp Happy Birthday and banners using Blueberry Bushel and Peach Pie inks. Glue it to the back of your card so that you have a place to write
