1. **TOP & BOTTOM:** Cut 2 pieces of 8 1/16" X 8 1/16" Shaded Spruce cardstock (CS) and score at 3/4" and 1 1/2" on all 4 sides.

2. Fold & burnish at score lines. Cut corner pieces out as shown in photo and notch edges to make it fit nicely.

3. Glue small tabs first, then sides and fold into a box. Use Bone Folder to flatten and spread the glue out.

4. **SIDES OF BOX:** Cut 2 pieces Shaded Spruce CS 10 9/16" x 5 1/2" and with paper in landscape position, score at 1/2" and 5 1/2" on both pieces..

5. Cut Designer Series Paper (DSP) 4 3/4" x 5 1/4" (cut 4). Glue DSP into each square, leaving a small border. Apply Tear & Tape Adhesive along bottom edges over DSP - not on 1/2" edges, without removing the piece on top (you don't want it sticky yet). Fold and burnish at score lines. Glue sides together to make a box.

6. Place the sides inside the bottom, lining up the corners. Stick sides down and use Bone Folder
