LARGE BAG

1. Start with 2 pieces of 12" x 12" Designer Series Paper (DSP). Score 2" down from the TOP, then score the other 3 sides of the DSP at 3". Do this with both sheets.
2. Fold TOP down on both pieces of DSP and crease well with bone folder.

3. Take 1 DSP sheet and cut out 2 of the bottom corners.
4. For the other DSP sheet, cut on bottom score lines from the sides in ONLY. Fold at score lines and crease well with Bone Folder.
5. Glue bottoms together. Glue sides together.
6. Add 12" ribbon for handles and attach with brads at sides of bag.
