## What is Bundle to Go?

Simple... you buy the product... I design the projects...

earn or purchase the tutorials &/or card kits for easy stamping!

This started as a way to share more fun stamping projects with a group of stampers I just adore. The idea is simple, make cards with the products you are buying, but get the added benefit of some quick start inspiration with ready to stamp kits!

You buy the featured products from my Bundle to Go each month. I design and provide 5 *Exclusive* Project Kits designed just for you! They will not be posted or available anywhere else I promise. And starting in June 2018 - you can qualify for the Video & PDF Tutorials (for FREE) each month when you have a minimum order of \$75. Of course you also have the option to purchase them directly from me as well.
