1. Start with a piece of Smoky Slate cardstock - 4 1/4" x 11", and score at 5 1/2" to create card base.
2. Using the tree thinlets and the Big Shot, cut three trees with Dazzling Diamond glimmer paper. Note that one of the thinlets has two trees and one has just one tree. I cut out one of each of these to get my three trees.
3. Cut a deer shape with the thinlets and Big Shot, using Smoky Slate cardstock.
4. Using the Softly Falling Embossing folder, emboss a 3 1/4" x 2 1/4" piece of Whisper White cardstock. Tear the top edge towards you, to create a bank of snow. I tore at a slight downward angle.
5. Stamp "Merry Christmas Wishes" with Smoky Slate Ink on a 3" x 3/8" piece of Whisper White cardstock. Flag right side edge.
6. Adhere the Softly Falling embossed piece to a piece of designer paper from the Wood Textures Designer Series Paper Stack, cut 3 1/4" x 4 3/4".
7. Layer this onto a piece of Basic Gray cardstock, cut 3 3/8" x 4 7/8"
8. To finish the card, use dimensionals to attach the trees. Use mini dimensionals to attach the word banner. Attach the deer using a glue dot.
9. I created a little "bundle" of bling with the Mini Sequin Trim, and Silver Metallic-Edge Ribbon, and tied it with White Baker's Twine- I tucked this to the side of the focal point of the card with
