Night of Navy Baker's Twine - 10" lengths - cut 2

Instructions:

1. Score Merry Merlot card base at 4 1/4" and fold well along score line.
2. Use the Big Shot with the Precision Plate to cut out the leaves and the Merry Merlot scallop circle. I like to run these back and forth through the Big Shot several times as this makes ensures a good clean cut.
3. Use the Big Shot Die Brush and foam pad and brush over the detailed leaf shapes - before removing the framelit from the paper. You may need to use the Paper Piercing tool to poke out some of the pieces - or you can leave them in - just depends on the look you want!
4. Emboss the Whisper White panel with the Big Shot and the Scattered Sequin embossing folder. Attach to the Night of Navy panel.
5. Use dimensionals to place the Navy and White panel to card front.
6. Stamp "thinking of you....." with Night of Navy Ink onto the small piece of Whisper White cardstock. Stamp the small flower sprig stamp with Merry Merlot ink.
7. Use the Big Shot and a Stitched Shape Circle to cut out the stamped image.
8. Use dimensionals and position the circle onto the scalloped Merry Merlot circle.
9. Attach the large detailed Copper Foil leaf to the Merry Merlot leaf offsetting slightly. I attached just the base of the leaves together.
10. Use Snail Adhesive on the back of the Merry Merlot leaf and place on the Whisper White embossed panel.
11. Attach the three small leaves - Night of Navy, Copper and Merry Merlot as shown.
12. Use a glue dot to attach the Mini Sequin trim above the small leaves.
13. Using dimensionals, position the "Thinking of You" circle as show in photo.
14. Use two lengths of Night of Navy Baker's Twine to tie a double bow - attach to card with a glue dot.
