Delicate White Doilies, Dimensionals, Mini Dimensionals, Glue Dots, Stampin' Sponges

## Directions:

- Fold Soft Suede cardstock in half, to create card base.
- Using Paper Snips, (or your fingernail) carefully soften the edges of the three panels of Very Vanilla cardstock.
- Use the Big Shot with the Garden Trellis embossing folder and emboss the smallest Vanilla cardstock panel. Load a wet aquapainter brush with Soft Suede ink and splatter ink onto the panel.
- Use the Stampin' Sponge and Soft Suede ink, to sponge all edges of the Vanilla cardstock panels.
  
- Sponge a small piece of doily with Soft Suede ink and attach on lower corner of the second largest Very Vanilla panel.
- Adhere the three Very Vanilla panels together with Snail Adhesive, and attach to card base.
- Use Paper Snips (or fingernail) on edges of the small Soft Suede strip, to soften the edges, and attach to card front with snail.
- Fussy cut the floral image from the Springtime Foils designer paper. There are several different floral images on the paper - all would work on this card design!
- Using Pink Pirouette and Old Olive Stampin' Blends, color the floral image. Use the color lifter to lighten colors as desired.
- Sponge edges of floral image with Soft Suede ink.
- Position over Soft Suede strip with dimensionals.
- Stamp " dear friend" onto a scrap of Very Vanilla cardstock and trim closely to the word "friend". Soften and sponge edges as above.
- Create a swirl of Linen Thread and attach to back of "friend" with a glue dot. Attach as shown with mini dimensionals.
- To finish the card, place the smallest sized Gold Faceted Gem onto card, as shown in photo.
