Measurements:

Lemon Lime Twist: 8 1/2" x 5 1/2", scored at 4 1/4" (card base), 4" x 2" or small scraps for "sprigs"

Whisper White: 5" x 3 3/4" - cut 2 - one will be used for the inside panel of the card; 3/4" x 4 1/4"

Melon Mambo: 3 1/2" x 5"

Flirty Flamingo: 4" x 2"

Lemon Lime Twist DSP - from the 2017-2019 In Color 6x6 DSP 4 1/4" x 5 1/2"

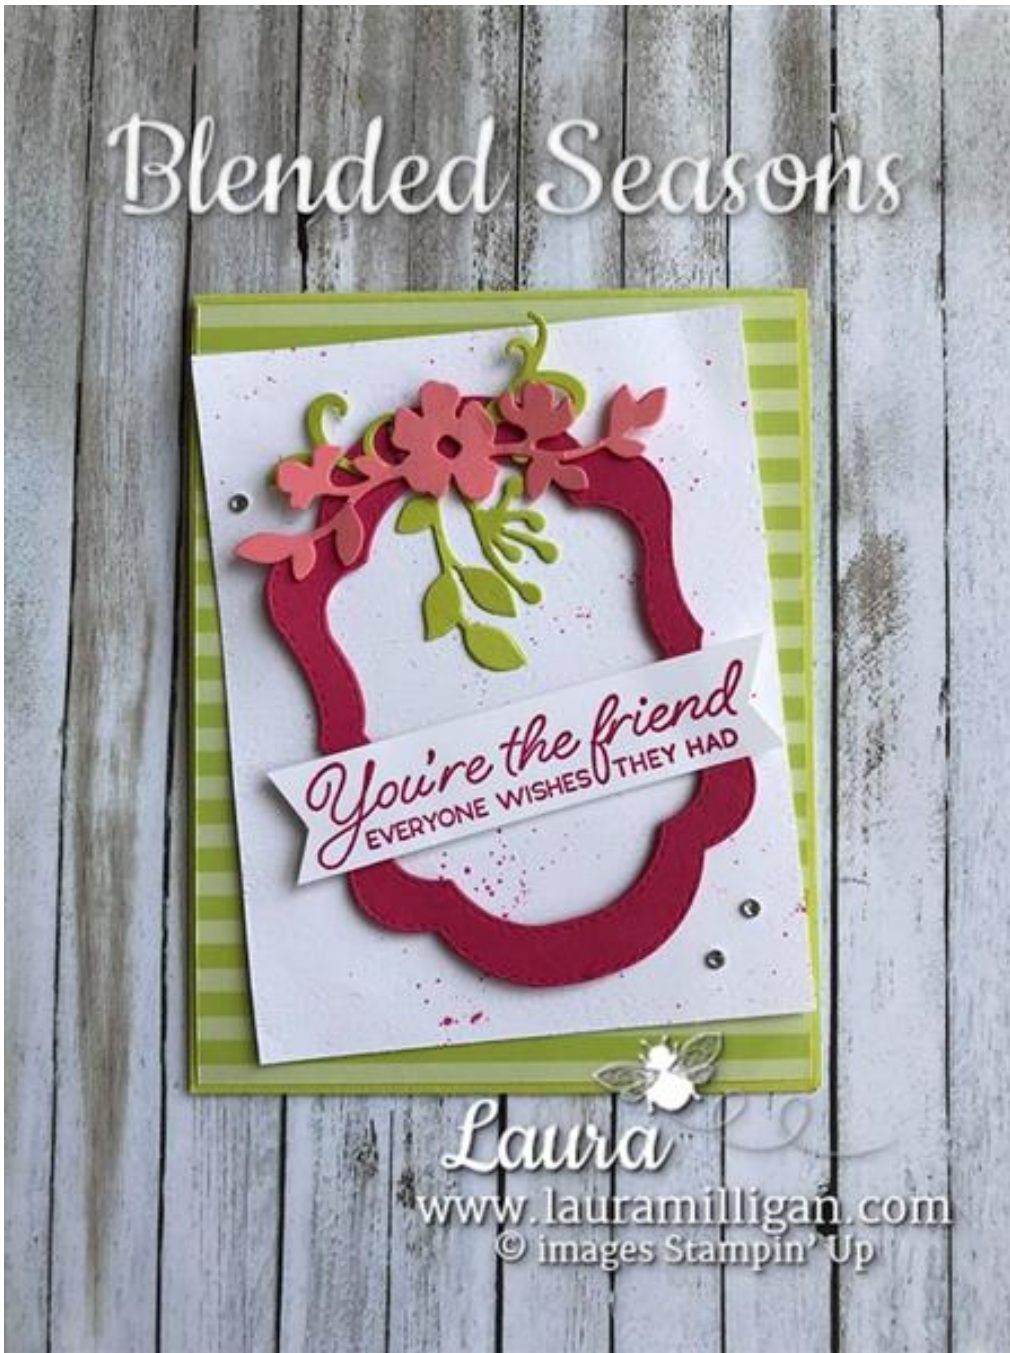

Instructions:

- Fold Lemon Lime Twist cardstock in half along score line to create card base. Adhere one of the Whisper White panels to inside of card.
- Use the Big Shot and the Subtle Embossing folder to emboss the other Whisper White panel.
- Load up an aqua painter with Melon Mambo ink and splatter across the Whisper White panel, by tapping the aqua painter firmly. Keep doing this until you like the amount of splatters on the panel.
- Use Big Shot, and the three "sprig" framelits and cut with the Lemon Lime twist cardstock. I recommend using the Precision Plate with these framelits.
- Cut the floral sprig with the Flirty Flamingo cardstock.
- Position the smaller two Label shaped framelits together onto Melon Mambo cardstock, and cut at the same time with the Big Shot and Precision Plate. You will create a frame.
- Adhere the Melon Mambo frame to the card front with Stampin' dimensionals.
- Use mini glue dots to adhere the Flirty Flamingo and Lemon Lime twist sprigs to the Melon Mambo frame.
- Add a Clear Faceted Gem to the center of the flower.
- Stamp the greeting onto the small strip of Whisper White cardstock.
- Use Paper Snips to create a "V" shape on both ends of the strip.
- Attach to the card front - place two dimensionals towards the center of the strip- that's all that is needed to hold this in place.

The vertical card layout uses the exact same supplies - with different placement, and the added Rhinestone basic jewels. Refer to picture below for placement.
