## Measurements:

Crumb Cake - 5" x 5 1/2", score at 4 1/4" along the 5" side, creating a 3/4" piece that becomes part of the card front.

Share What You Love DSP - 4 1/4" x 5 1/2"

Vellum: 4 1/4" x 2 3/8"

Basic Black: 3/4" x 4 1/4"

Whisper White: 2 1/2" square

1. Use Snail Adhesive to attach the designer series paper to the card base. Place the adhesive along the 3/4" piece of the card front and line up the DSP so that it completes the card front - it should be placed right up to the score line and line up on all sides of the card base.
2. Stamp "I'm Lucky to Have ....." greeting onto the Whisper White cardstock with Memento ink. Use the Big Shot and the square from the Stitched Shapes framelits, centering it around the words and cut out.
3. Use crumb cake ink with the small floral sprig, stamp off on a scrap paper, and then stamp onto the square shape.
4. Attach Vellum to card front - put snail adhesive on the center of the vellum shape so that it is covered up by the layers that will be placed above it.
5. Attach one of the large laser cut tags from the embellishment kit over the vellum, with snail adhesive.
6. Use Paper Snips to flag one of the ends of the Basic Black cardstock.
7. Create a small bow using the Pearlized Thread from the Embellishment kit - use two pieces of the thread to tie bow, then use your fingers to pull the loops apart and secure onto one of the Silver Clips from the Embellishment kit. Attach this to the left side of the black cardstock piece and then attach to the card front.
8. Use dimensionals to attach square shape onto card front.
9. To complete the card, add three pearls using the Share What You Love Artisan Pearls.
