Measurements:

Very Vanilla: 4 1/4" x 11", scored at 5 1/2"; 4" x 5 1/4"

Linen Thread - 6" length - cut two or if you want a thicker bow, add a few more strands

Instructions:

Score the Very Vanilla card base and fold to create card.

Stamp the Floral Square image and "Joy" onto the quarter sheet of Very Vanilla cardstock. If you have a stamparatus, I recommend using it for this large stamp. I actually placed the Floral Square and the Joy stamp on my stamparatus and stamped both images on the card front at the same time.

Use dimensionals to adhere the stamped panel onto the card base. Tie the linen thread in a bow and attach with a glue dot.

Add rhinestones, pearls and the metallic pearls onto the stamped floral image. These already have adhesive on the backs of them so it is super easy to adhere! Bling it up - the more the better!
