Measurements:

Gift Card Holder Base: Cut Designer Paper at 5 1/2" x 11 1/2". Use your Stampin' Trimmer and score at 4 1/4", 5 3/4" and 7 1/4". Small strip of DSP for front - 5 1/2" x 1"

Whisper White Cardstock: 3" x 2 1/4"; 3/4" x 3 1/2"; inside panel 4 3/4" x 3 1/2"

Cherry Cobbler Cardstock: 3 1/4" x 2 1/2"

Instructions:

Fold gift card base along score lines. Use tear and tape just below the top score line - being careful to not put tear and tape along the fold where the gift card will be inserted!

Use the Classic Label punch and center along the fold that will hold the gift card. Punch once and

then move the punch to the left and the right to create a large enough slit for the gift card to fit.

Using Memento Black ink, stamp snowman on 3" x 2 1/4" panel for card front. Stamp a snowman along the lower corner of inside panel for extra cuteness!

Stamp the words as shown in photo.

Color Snowman with Stampin' Blends.

Adhere Snowman onto the Cherry Cobbler panel.

Use Tombo Glue, a sponge and the Silicone Mat and dab just a little glue onto the snowman - it's cute to do this on the snowman inside the card as well!

Sprinkle with Dazzling Diamond Glitter and tap off excess.

Adhere the designer paper strip to the front of gift card. Next adhere the "Winter Cheer" panel.

Use dimensionals and place the snowman onto gift card front.

Tie a bow with the Baker's Twine and attach with a glue dot.

Adhere the white panel to the inside of the gift card holder.

Note: One of the things I love about this gift card holder is that it will fit in a regular sized envelope - so it can be mailed! You will most likely need to add a little extra postage.
