1. Fold down top of bag and secure with a binder clip.
2. Use largest scallop circle from Layering Circles framelits and cut out the Gold Glimmer layer.
3. Use the Year of Cheer Specialty Paper and the 2 1/4" circle punch for the circle layer.
4. Use a piece of Shimmery White cardstock and emboss with the Winter Wonder Textured embossing folder.
5. Use the Big Shot and the largest circle from the Layering Circle framelits placing over the embossed snowflake and cut out.
6. Attach snowflake circle to the glimmer scalloped circle with dimensionals, off setting slightly.
7. Flag the ends of the vellum strip to create a banner.
8. Layer the designer paper circle and vellum banner under the Glimmer layer with dimensionals.
9. Attach to bag, I only attached this to the flap of the bag so that it doesn't have to be torn apart to be opened!
10. Use glue dots to attach the bow and the gold embellishment.
