Measurements:

Lemon Lime Twist Base: 4 1/4" x 11, scored at 5 1/2", 3" square

Whisper White: 4" x 5 1/4" (2 of this size), 3" square

Petal Passion DSP: 3" x 4"

Instructions:

1. Score and fold Lemon Lime Twist cardstock in half to create card base.
2. Use Snail Adhesive to attach the Whisper White cardstock to both the front and the inside of the card.
3. Using the Classic Label Punch, punch out the slot for the butterfly to fit through. To do this, push the punch in as far as it can go, lining up the edge of the punch with the bottom edge of the White cardstock. Slide the punch to the other edge of the card front, push punch in as far as it will go, and lining up with the top edge of the White cardstock. Save the punched shape to use to stamp the greeting for card front.
4. Use the Big Shot and the solid butterfly framelit and cut out two Whisper White butterflies.
5. Put a piece of the Adhesive Sheet on the back of the Lemon Lime Twist 3" square.
6. Use the Big Shot and both the solid butterfly framelit and the intricate butterfly framelit to cut out a detailed butterfly.
7. Remove the Adhesive Sheet backing and attach the Lemon Lime Twist butterfly to one of the solid White butterflies.
8. Use a bone folder to fold butterflies in half.
9. Place a glue dot onto the body of the solid white butterfly and position in the slot created with the Classic Label Punch.
10. Open card, carefully keeping the butterfly in place and then attach both sides of the white butterfly to the inside of the card with snail. This will give the Lemon Lime twist butterfly more stability as the card is opened and closed.
11. Close card, and use two or three glue dots to position the Lemon Lime Twist butterfly onto the White butterfly that has been attached to the inside of the card.
12. Use your fingers to press down on the glue dots to ensure that it is attached very well!
13. Use Snail Adhesive to attach the Designer Series Paper (DSP) onto the card front.
14. Stamp "Happy Birthday" onto the white piece created by punching the slot with the Classic Label Punch.
15. Attach to card front with Mini Dimensionals.
16. Tie a knot in a piece of Baker's Twine and attach to butterfly with a glue dot.
